NEW PACKAGINGS

Since almost a century the glass by Krosno is very popular in Poland and around the world. We owe this success to the work of many generations of glassworkers and designers who, with passion and commitment, create beautiful and lasting things. From the very beginning, tradition and craftsmanship have been the most important in our works. However, we have never neglected openness to new ideas and details which became our distinguishing features. They are expressed in the highest quality and durability, unique form, as well as contemporary design and presentation of our products.

With the greatest pleasure and pride, we present new packaging - with a modern logo and elegant visual identity. Particularly noteworthy is the original design and high quality, matte finish, with shimmering details on the surface. All this to help you identify our products and highlight their unique character and purpose. From now on, in beautiful, black packaging, you can find unique premium class glassware, manufactured with the utmost care, by hand or machine, while in white packaging - excellent products for everyday use, made by machine. KROSNO packaging and glass is a tradition and design for the most demanding seekers of their own stylistic "I".

Experience life more beautifully with Krosno glass.

NOWE OPAKOWANIA

Ten sukces zawdzięczamy pracy wielu pokoleń hutników i projektantów, którzy z pasją i zaangażowaniem tworzą rzeczy piękne i trwałe. Od samego początku w naszej hucie najważniejsze były tradycja i rzemiosło, jednak nigdy nie zapomnieliśmy o otwartości na to, co nowe oraz troszczyliśmy o perfekcję w każdym calu. Znajdują one wyraz w najwyższej jakości i trwałości, unikatowej formie, a także współczesnym wzornictwie i sposobie prezentacji naszych wyrobów.

Z największą przyjemnością i dumą przedstawiamy nowe opakowania – z nowoczesnym logo i elegancką identyfikacją wizualną.
